Wave your hands in the air
Stomp your feet on the ground
Climb up the ladder quickly
And then spin yourself around

Open the umbrella
Then answer the phone
You can do it with a partner
You can do it all alone

Scale up the wall, just how high can you go
You're sure to break her heart if you get up there too
slow
Pound upon your chest and take an elevator ride,
You can get off at the top and then you look from side
to side.

Come on, come on,
Come on, come on,
Do the Donkey Kong, do the Donkey Kong

Come on, come on,
Come on, come on,
Do the Donkey Kong, do the Donkey Kong

Tiptoe through the tulips and then raise your hands up
high
There's a fire down below and you don't want to catch
his eye
Hide behind each other and don't even make a sound
You're in trouble now, take the elevator down

Jump over all the barrels and let out a little scream
Duck underneath the pie cause it's a coconut cream
You pick the hammer up and then you put the fire out
Now we think you know what Donkey Kong is all about

Come on, come on,
Come on, come on,
Do the Donkey Kong, and you can do the Donkey Kong

Come on, come on,
Come on, come on,
Do the Donkey Kong, do the Donkey Kong

Come on, come on, come on
Come on, come on, come on
Do the Donkey Kong, D-d-d-do the Donkey Kong,

Come on, come on, come on
Come on, come on, come on
Do the Donkey Kong, And you can do the Donkey Kong,
(do the Donkey Kong)

Come on, come on, come on
Come on, come on, come on
And you can do the Donkey Kong,

Come on, come on,
Come on, come on,
Do the Donkey Kong, and do the Donkey-Donkey Kong
(do the Donkey Kong)

Come on, come on, come on
Come on, come on, come on
And you can do the Donkey Kong,

Come on, come on, come on
Come on, come on, come on
And you can do the Donkey Kong, (do the Donkey
Kong)

Come on, come on,
Come on, come on,
And you can do the Donkey Kong, I'm gonna do the
Donkey Kong

Come on, come on,
Come on, come on,
And you can do the Donkey Kong,

(fade)
