Intruder alert!
Intruder alert!
You can fight like a robot.
Destroy him.
Intruder alert!
Intruder alert!

I can move and make directions, once I start I'm never
done,
I can go from room to room, I can crawl or I can run,
I can wander through the maze, it's a wonderland at
night,
I can stop and aim my gun when there's a robot in my
sight.

I can wander through the maze, it's a wonderland at
night,
I can stop and aim my gun when there's a robot in my
sight.

I think I'm going berserk.
I think I'm losing my mind.
I think I'm getting lost in the shuffle.
It happens every time.

I think I'm going berserk.
Would you like to come, too?
I can't stop now, I'm addicted
I'm berserk over you.

If we fight this thing together, there's a chance that we
might win.
Now here comes Evil Otto, push the fire buttons in,
I'm sure he's crazy too, because he's bouncing off the
floor.
There's no way to destroy him, let him bounce right out
the door.

If we fight this thing together, there's a chance that we
might win.
Now here comes Evil Otto, push the fire buttons in,

I think I'm going berserk.
I think I'm losing my mind.
I think I'm getting lost in the shuffle.
It happens every time.

I think I'm going berserk.
Would you like to come, too?
I can't stop now, I'm addicted
I'm berserk over you.

Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk over you!

Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk over you!

Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk, berserk over you
Berserk, berserk over you!
(fade out)
