Asteroids around me, don't know where to run,
I'm somewhere between the moon and the sun
I'm in command of three ships and there's more on the
way
I'm a space cadet, I can really play!

Hyperspace,
Push on the button and I'm back in the race,
Hyperspace,
Shootin' my rockets all over the place,

I'm invisible now, but I'll be back again,
Kickin' the thrust, 'cause I just gotta win, I just gotta
win,

There's a ship on the rise and he's shootin' at me,
I rotate my ship and at the count of three
I fire and shoot and blow him out of the sky
Push on the button and wave bye-bye

Hyperspace,
Push on the button and I'm back in the race,
Hyperspace,
Shootin' my rockets all over the place,

I'm invisible now, but I'll be back again,
Gonna kick in the thrust, 'cause I just gotta win, I just
gotta win,

Hyperspace,
Push on the button and I'm back in the race,
Hyperspace,
Shootin' my rockets all over the place,

I'm invisible now, but I'll be back again,
Kickin' the thrust, 'cause I just gotta win, I just gotta
win,

Hyperspace,
Push on the button and I'm back in the race,
Hyperspace,

Shootin' my rockets all over the place,

I'm invisible now, but I'll be back again,
Gonna kick in the thrust, 'cause I just gotta win, I just
gotta win,

Asteroids all over me, don't know where to run,
I'm somewhere between the moon and the sun
I'm in command of three ships and there's more on the
way
I'm a space cadet, I really know how to play!

Hyperspace,
Push on the button and I'm back in the race,
Hyperspace,
Shootin' my rockets all over the place,

I'm invisible now, but I'll be back again,
Gonna kick in the thrust, I just gotta win, I just gotta
win,

Hyperspace,
Push on the button, push on the button
Hyperspace,
Shootin', shootin' all over the place,

I'm invisible now, but I'll be back again,
Gonna kick in the thrust, I just gotta win!

Hyperspace,
Shootin', shootin', shootin', shootin'

Hyperspace!
I don't know where to run
Hyperspace!
Gonna kick in the thrust, I just gotta win!

Hyperspace!
