Wreck-It Ralph is a giant of a man
Nine feet tall with really big hands
Living in a stump on his very own land
Until his world went crazy
He was minding his own business on the day they
came
They showed a piece of paper saying eminent domain
They built an apartment building
Saying progress was to blame
So he got mad, and he turned bad
Brick by brick
He's gonna take his land back

Wreck it, Wreck-it Ralph as fast as you can
You know you can do it with your colossal hands
So don't let Fix-It Felix and that building stand

I wreck it
I fix it
I wreck it
I fix it

You fixed it!

Fix-It Felix is a really great guy
Watch him get all turbo-charged
When he eats a pie
Not just a superintendent
He's a super super guy
And everybody loves him

With his trusty tool belt and steel-toed shoes
Nicelanders believe that
Felix just can't lose
So when Wreck-It Ralph starts to come unglued
He doesn't get mad
Cause he's so rad
Brick by brick
He's gonna build it back!

Fix it, Fix-It Felix as fast as you can
Use the magic hammer you got from

Your old man
Cause you know Wreck-It Ralph won't let that building
stand

I wreck it
I fix it
I wreck it
I fix it

Every level the tension's getting stronger
So be careful, just a little longer
You get a medal when your work is through
Just for you!
Just for you!
Just for you!

Wreck it, Wreck-It Ralph as fast as you can
You know you can do it with your colossal hands
So don't let Fix-It Felix and that building stand

I wreck it
I fix it

Fix it, Fix-It Felix as fast as you can
Use the magic hammer you got from
Your old man
Cause you know Wreck-It Ralph won't let that building
stand

I wreck it
I fix it
I wreck it
I fix it

You fixed it!
