Wreck-it Ralph is a giant of a man;  
9 feet tall with really big hands.  
Living in a stump on his very own land,  
until his world went crazy.

He was minding his own business on the day they  
came;  
they showed a piece of paper saying "Eminent  
Domain".  
They built an apartment building saying "Progress was  
to blame."  
But he got mad, and he turned bad;  
brick by brick he's gonna take his land back!

Wreck-it, Wreck-it Ralph as fast as you can,  
you know you can do it with your colossal hands.  
So don't let Fix-it Felix and that building stand!

I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!  
I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!

(You fix it!)

Fix-it Felix is a really great guy;  
watch him get all turbo-charged when he eats a pie.  
For just a super attendant, he's a super, super guy,  
and everybody loves him.

With his trusty tool belt and steel-toed shoes,  
Nicelanders believe that Felix just can't lose.  
So when Wreck-it Ralph starts to come unglued  
He doesn't get mad 'cause he's so rad,  
brick by brick he's gonna build it back!

Fix-it, Fix-it Felix as fast as you can,  
use the magic hammer you got from your old man,  
but you know Wreck-it Ralph won't let that building  
stand!

I'll wreck it, I'll wreck it!

I'll fix it, I'll fix it!  
I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!

(Instrumental)

Every level change, it's getting stronger,  
So be careful, just a little longer;  
you get a medal when your work is through.

Just for you! (x3)

Wreck-it, Wreck-it Ralph as fast as you can,  
you know you can do it with your colossal hands.  
So don't let Fix-it Felix and that building stand!

I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!

Fix-it, Fix-it Felix as fast as you can,  
use the magic hammer you got from your old man,  
but you know Wreck-it Ralph won't let that building  
stand!

I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!  
I'll wreck it, I'll wreck it!  
I'll fix it, I'll fix it!

(You fix it!)
