You gotta speed it up
And then you gotta slow it down
'Cos if you believe that a love can hit the top
You gotta play around and soon you will find
That there comes a time for making your mind up

You gotta turn it up and then you gotta cool it down
You gotta be sure that it's something everybody's
gonna talk about
Before you decide the times right for making your
mind up
Don't let your indecision take you from behind
Trust your inner vision don't let others change your
mind

And now you really gotta burn it up and make another
fly by night
Getta run for your money and take a chance
And it will turn out right and when you see how its gotta
be
Your making your mind up

And try to look as if you don't care less
But if you wanna see some more
Then the rules of the game
Will let you find the one your looking for

And then you can show you think you know
That your making your mind up
Don't let your indecision take you from behind
Trust your inner vision don't let others change your
mind

And now you really gotta speed it up
And then you gotta slow it down
'Cos if you believe that a love can hit the top
You gotta play around and soon you will find
That there comes a time for making your mind up

And now you really gotta speed it up
And then you gotta slow it down
'Cos if you believe that a love can hit the top

You gotta play around and soon you will find
That there comes a time for making your mind up

For making your mind up
For making your mind up
For making your mind up
