Stars in your eyes little one
Where do you go to dream?
To a place we all know
The land of make believe
Shadows tapping at your window
Ghostly voices whisper,
"Will you come and play?"
Not for all the tea in China
Or the corn in Carolina
Never, never ever
They're running after you babe
Run for the sun little one
You're an outlaw once again
Time to change
Superman will be with us while he can
In the land of make believe
Something nasty in your garden's waiting
Patiently till it can have your heart
Try to go but it won't let you
Don't you know it's out to get you
Running, keep on running

They're running after you babe

Run for the sun little one

You're an outlaw once again

Time to change

Superman will be with us while he can

In the land of make believe

Your world is turning from night to day

Your dream is burning far, far away

Into the blue, you and I

To the circus in the sky

Captain Kidd's on the sand

With the treasure close at hand

In the land of make believe

In the land of make believe

Run for the sun little one

You're an outlaw once again

Time to change

Superman will be with us while he can

In the land of make believe

Run for the sun little one

You're an outlaw once again

Time to change

Superman will be with us while he can

In the land of make believe

Spoken :

I've got a friend who comes to tea

And no one else can see but me

He came today, but had to go

To visit you

You'd never know
