(Linda Creed, Thom Bell)

There's a spark of magic in your eyes
Candyland appears each time you smile
Never thought that fairy tales come true
But they come true, when I'm near you

You're a genie in disguise
Full of wonder and surprise, and

Betcha by golly, wow
You're the one that I've been waiting for, forever
And ever will my love for you keep growing strong
Keep growing strong

If I could, I'd catch a falling star
To shine on you So I'll know where you are
All the rainbows in your favorite shades
To show I love you, thinking of you

Write your name across the sky
Anything you ask, I'll try

'Cause betcha by golly, wow
You're the one that I've been waiting for, forever
And ever will my love for you, keep growing strong
Keep growing strong

Betcha by golly, wow
You're the one that I've been waiting for, forever
And ever will my love for you, keep growing strong
Keep growing strong

Betcha by golly, wow
You're the one that I've been waiting for, forever
And ever will my love for you, keep growing strong
Keep growing strong

Betcha by golly, wow
You're the one that I've been waiting for, forever
And ever will my love for you, keep growing strong
Keep growing strong
