Even though we're apart you're still right here in my heart

Your hands are still in mine, I can still hear you
whispering words divine

I can feel your warm embrace, just the thought of it
puts a smile upon my face

But my imagination, whoa I said it's so strong, but
reality keep assuring me I'm all alone

But now from my lips comes a song, with tears in my
eyes,

'cause now you're gone, so all your sweet talk.....

Even though we're apart, you're still right here in my
heart

My imagination, oh I said it's so strong, but reality
keeps assuring me that I'm all alone

My imagination, oh so strong, but reality keeps
assuring me that I'm all alone
