You take a bumble bee and match him with a doorbell  
And whatcha got  
(Humdinger)  
Hear what I say  
(Humdinger)

Whoever threw the whiskey in the bottom of the well  
He was a  
(Humdinger)  
Say what I say now  
(Humdinger)

I saw the boys come from land and a sea  
Come along just to go and see, to see the  
(Humdinger)  
Said what I say  
(Humdinger)

Whoa now  
(Humdinger)  
Uh, huh, huh

I bought my baby child a diamond ring  
It was a  
(Humdinger)  
Hey, hey, hey, hey now  
(Humdinger)

She knows how to shake that thing now, she's a  
(Humdinger)  
Say what I say  
(Humdinger)  
I know a girl fit this description you see

Come along, child and go with me  
To see the  
(Humdinger)  
Said what I say  
(Humdinger)  
Whoa now  
(Humdinger)  
Uh huh huh

(Humdinger, Humdinger)  
(Humdinger, Humdinger)

You take a bumble bee and match it with a doorbell  
And whatcha got  
(Humdinger)  
I wanna ask you one more time  
(Humdinger)

Whoever threw the whiskey in the bottom of the well  
He was a  
(Humdinger)  
I wanna say now  
(Humdinger)

Saw the boys come from land and sea  
Come on child, and go along with me to see the  
(Humdinger)  
I say what I say now  
(Humdinger)  
Come on and tell me  
(Humdinger)  
Uh huh huh  
(Humdinger)

I bought my baby child a diamond ring  
It was a  
(Humdinger)  
It was a humdinger now  
She knows how to shake that thing now  
She's a  
(Humdinger)
