Even if you only need a shoulder
If you only need a helping hand
And even if right now you're really only
Just looking for a friend
I'll love you anyway
I'll love you anyway
I'll love you anyway I can

If you only want someone to talk to
Through the darkest hours of your night
Even try to help you slay those dragons
That you're too afraid to fight
I'll love you anyway
I'll love you anyway
I'll love you anyway I can

I'll be there when the sun is shining
I'll be there in the pouring rain
I'll be there when the tears are falling
Through the brightest joys and the deepest pain
I'll be there on the day you wake up
And realize that I'm the one
And that this is love
Aww baby this is love

Someday if our road gets rough and rocky
I won't be that guy who walks away
I can promise you without a doubt
My love for you will never change
No it'll never change
I'll love you anyway
I'll love you anyway
I'll love you anyway I can

I'll love you anyway
I'll love you anyway
I'll love you anyway I can

I'll love you anyway
I'll love you anyway
I'll love you anyway I can
Anyway I can

"I'll Love You Anyway" as written by John Keller, Steven
Krikorian
