Once again,
Here am I wrapped up in a dream, I'm about to lose my
mind
Over you, I've done it again

Once again,
I sit alone wondering and worrying all night long
Over you, I've done it again

I've been in love before
I've been hurt before
I thought I was through with being a fool
But I ended in the same shoes once more
Once again,
I sit alone wondering and worrying all night long
Over you, I've done it again

I've done it again
You know, I know I've done it again
Over you, I've done it again
