What has happened down here is the wind have  
changed  
Clouds rolled in from the north and it started to rain  
It rained real hard and it rained for a real long time  
Six feet of water in the streets of Evangeline

The river rose all day, the river rose all night  
Some people got lost in the flood, some people got  
away alright  
The river had busted through clear down to  
Plaquemine  
Six feet of water in the streets of Evangeline

Louisiana, Louisiana  
They're trying to wash us away, they're trying to wash  
us away  
Oh, Louisiana, Louisiana  
They're trying to wash us away, they're trying to wash  
us away

President Coolidge come down in a railroad train  
Little fat man with a notepad in his hand  
President say, "Little fat man, oh, isn't it a shame  
What the river have done to this poor farmer's land"

Oh, Louisiana, Louisiana  
You're trying to wash us away, you're trying to wash us  
away  
Oh, Louisiana, oh Lord, oh Louisiana  
They're trying to wash us away, oh Lord, they're trying  
to wash us away  
They're trying to wash us away, they're trying to wash  
us away
