Twas the night before christmas all white with snow  
I was lying back waiting for my baby to show  
I was searching my mind for the right things to say  
'cause she had to leave the very next day  
When out on the driveway I heard such a clatter  
I dimmed all the lights and put on clyde mcphatter  
And she came to the doorway and she gave me a kiss  
And the rest of the night went something like this.....

It was a night  
Oo what a night it was, it really was  
Such a night  
The moon was bright  
Oo how bright it was, it really was  
Such a night  
The night was alive  
With the stars above  
Oo when she kissed  
I had to fall in love.

Oo it was a kiss  
Oo what a kiss it was, it really was  
Such a kiss  
How she could kiss!  
Oo what a kiss it was, it really was  
Such a kiss  
Just the thought of her lips sets me afire  
I reminisce, I'm filled with desire.

And I gave my heart to her in sweet surrender (doo  
wah, doo wah)  
Oh how I remember! (doo wah, doo wah)  
I'll always remember...(doo wah, doo wah)

Oo that night  
Oo what a night it was, it really was  
Such a night  
Came the dawn  
And my heart and her love and the night were gone  
But I know I'll never forget her kiss in the moonlight  
Oo such a kiss  
Oo such a night

And I gave my heart to her in sweet surrender (doo  
wah, doo wah)  
Oh how I remember! (doo wah, doo wah)  
I'll always remember (doo wah, doo wah)

Oo that night  
Oo what a night it was, it really was  
Such a night  
Came the dawn  
And my heart and her love and the night were gone  
But I know I'll never forget her kiss in the moonlight  
Oo such a kiss  
Oo such a night

Well it's now christmas morning and my baby's gone  
So I light up the tree and turn the radio on  
I sit down in my chair and let out a sigh  
I sang away in a manger and angels on high  
Now my family and friends will soon knock on my door  
So I'll say merry christmas to you and to yours  
May your days be cheerful and your burdens be light  
Oh but mostly I wish everyone such a night

Now she's gone, gone, gone  
Yeah she's gone, gone, gone  
And the dawn, dawn, dawn  
And the night was gone  
And my heart was gone  
And her love was gone  
And before the dawn  
Oh oh oh  
Such a night!!
