You know night after night these guys are settin' up  
Hookin' up, climbin' past the sky, they don't really get  
no praise  
So I wrote this song in honor of them  
'Cuz without them there'd be no show

So get a roadie song, after all he ain't no bum  
Give a roadie a hand, he's really part of the band

Get a roadie, get a roadie, get a roadie song  
Them speakers weigh a ton, his work is never done  
So get a roadie, get a roadie, get a roadie song

Got a mighty long ways to travel  
He's gotta cover many miles of gravel  
He's gotta long, long ways to go  
And if he don't make it, there ain't gonna be no show

So give the roadie, give the roadie, give the roadie  
song  
He climbed to kingdom come, he's up to see the sun  
Get a roadie, get a roadie, get a roadie song

He's got a mighty long ways to travel  
He's gotta cover many miles of gravel  
He's gotta long, long ways to go  
And if he don't make it, there ain't gonna be no show

Get a roadie, get a roadie, get a roadie song  
After all he ain't no bum and get a roadie a hand  
He's really part of the band

Give the roadie, give the roadie  
Give the roadie, Give the roadie, give the roadie song  
Get a roadie, get a roadie  
Get a roadie, get a roadie, get a roadie song

Give the roadie, give the roadie  
Give the roadie, give the roadie, give a roadie song  
Give the roadie, give the roadie  
Give the roadie, give the roadie, give a roadie song
