So what I'm not your average girl
I don't meet the standards of this world
Chasing after boys is not my thing
See I'm waiting for a wedding ring

No more dating
I'm just waiting
Like sleeping beauty
My prince will come for me
No more dating I'm just waiting
'Cause God is writing my love story

Boys are bad that's certainly not true
'Cause God's preparing one for you
If you get tired waiting till he comes
God's arms are the perfect place to run

No more dating
I'm just waiting
Like sleeping beauty
My prince will come for me
No more dating I'm just waiting
'Cause God is writing my love story
my love story

Sleep that's the only thing
For me 'cause when I sleep God's
Preparing one for me
world
Chasing after boys is not my thing
See I'm waiting for a wedding ring

No more dating
I'm just waiting
Like sleeping beauty
My prince will come for me
No more dating I'm just waiting
'Cause God is writing my love story

Boys are bad that's certainly not true
'Cause God's preparing one for you
If you get tired waiting till he comes

Gods arms are the perfect place to run

No more dating
I'm just waiting
Like sleeping beauty
No more dating
I'm just waiting
Like sleeping beauty
No more dating I'm just waiting
'Cause God is writing my love story
No more dating I'm just waiting
'Cause God is writing my love story
No more dating I'm just waiting
