Oh, tragedy
Has taken so many
Love lost cause they all
Forgot who You were
And it scares me to think
That I would choose
My life over You
My selfish heart
Divides me from You
It tears us apart
So tell me
What is our ending?
Will it be beautiful
So beautiful?
Oh, why do I
Let myself let go
Of hands that painted the stars
And hold tears that fall?
And the pride of my heart
Makes me forget
It's not me but You

Who makes the heart beat

I'm lost without You

And dying from me

So tell me

What is our ending?

Will it be beautiful

So beautiful?

Will my life

Find me by Your side?

Your love is beautiful

So beautiful

At the end of it all

I wanna be in Your arms

At the end of it all

I wanna be in Your arms

At the end of it all

I wanna be in Your arms

At the end of it all

I wanna be in Your arms

So tell me

What is our ending?

Will it be beautiful

So beautiful?

Will my life

Find me by Your side?

Your love is beautiful

So beautiful
