I love you You love me  
We're a happy family  
With a great big hug and a kiss from me to you.  
Won't you say you love me too  
I love you You love me  
We're best friends like friends should be  
With a great big hug and a kiss from me to you.  
Won't you say you love me too  
I love you You love me  
We're a happy family  
With a great big hug and a kiss from me to you.  
Won't you say you love me too  
I love you You love me  
We're best friends like friends should be  
With a great big hug and a kiss from me to you.  
Won't you say you love me too
