I waited for You today but You didn't show, no, no, no
I needed You today, so where did You go?
You told me to call, said, You'd be there
And though I haven't seen You are You still there?

I cried out with no reply and I can't feel You by my side
So I'll hold tight to what I know, You're here and I'm
never alone

And though I cannot see You and I can't explain why
Such a deep, deep reassurance, yeah You've placed in
my life
Oh, oh, we cannot separate, You're part of me
And though You're invisible I'll trust the unseen

I cried out with no reply and I can't feel You by my side
So I'll hold tight to what I know, You're here and I'm
never alone

Cannot separate, You're part of me
And though You're invisible I trust the unseen, yeah

I cried out with no reply and I can't feel You by my side
So I'll hold tight to what I know, You're here and I'm
never alone
