Got my eye on the deacons daughter  
But I'm diesel fuel, and she's holy water.  
She don't like boys that drink cuss and chew  
That's why im here, lord callin on you.

I no I aint been livin like I ought to  
Lord I swere that she could make me want to  
Maybe askin you for more then I should  
But just give me this girl and im good.

That four wheeler would have sure been dandy  
A bigger boat would have come in handy  
But im so glad that you held out on me  
Cos now I see what I really need

I no I aint been livin like I ought to  
Lord I swere that she could make me want to

Maybe askin you for more then I should

But just give me this girl and im good

Yeah baby  
C'mon  
Mmm just one time  
C'mon lord  
Here we go

I no I aint been livin like I ought to  
Lord I swere that she could make me want to  
Maybe askin you for more then I should  
But just give me this girl and im good  
I no I aint been livin like I ought to  
Lord I swere that she could make me want to  
Maybe askin you for more then I should  
But just give me this girl and im good  
Lord just give me this girl and im good.
