first I'ma see that girl
said I need that girl
and every time that I see that girl
can't believe that girl
'cause she fine and she round
and she thinking of what
but she be walking around
what a sneakin but
talking about everything that a nigga do in my life
for how I ain't doing it right
and I wish ..what I do for the night
machine and move for the night
baby I can rule in the middle of the room
and she tell em she don't like it when I go
go to the.. and she..like and
that's when she when I said I'm bout to live
then she said oh boy you know you don't
now she are yelling in the..
I'm like girl you ..
..scratch me on my own
I'll just start head god damn i know the starts
and it's kind of bizarre let me have the..

Chorus:

uh baby you got me agitated agitated
uh baby girl you got me agitated, agitated
let's hit rewind because I'm blowing on my mind
you best be lucky you so fine
cause if you wasn't girl I wouldn't put up with this x2

now my car seems..and I'm off of the road
and my girlfriend at home feeling lost and alone
so she calls on the phone and she talking a bunch
and only thing I could think it's probably that time of the
moth
but the.. pretty fast and she ..i hang her in the palce
..with ym ex..cause I relaly have to ask
now she sryin and she kind to..
and plus she whine
the word she say
and now is kind of lat

e..on the road
but I think it's time that i GO HOME
EVEN THOUGH YOU'RE WRONG
with a love so strong
but let me ask you baby
look how magic..

[Chorus x2]

WHAT'S YOU NAME i FORGOT
I got the spot that you don't have ..
even with the dance..to the fir e
you can have everything that you desire
you're the life of the party
got damn i'm..like a cup cup
and she talk proper..for show
I'm in the..mixing with the..
just f*cking right just dress like
I know you're tired and waiting
that shit be agitating
baby know she bad, baby know she..
I'm gonna stay calm ..

[Chorus:]
