I know you want it
The thing that makes me
What the guys go crazy for
They loose their minds
The way I wind, I think it's time

La la, la la la, warm it up
La la, la la la, the boys are waiting
La la, la la la, warm it up
La la, la la la, the boys are waiting
The boys are waiting

My milkshake brings all the boys to the yard
And their like, it's better than yours
Damn right, it's better than yours
I could teach you, but I have to charge

I can see you're on it, you want me to teach thee
Techniques that freaks these boys
It can't be bought, thieves get caught
I'd watch if you're smart

La la, la la la, warm it up
La la, la la la, the boys are waiting
La la, la la la, warm it up
La la, la la la, the boys are waiting
The boys are waiting, the boys are waiting

My milkshake brings all the boys to the yard
And their like, it's better than yours
Damn right, it's better than yours
I could teach you, I have to charge, I have to charge
Yeah I have to charge, I have to charge
