(Buddy and Julie Miller)

There's a sorrow in the wind  
Blowing' down the road i've been  
I can hear it cry while shadows steal the sun

But i can not look back now  
I've come to far to turn around  
And there's still a race ahead that i must run

I'm only halfway home i gotta journey on  
To where i'll find the things that i have lost  
I've come a long long road still i've got miles to go  
I've got a wide wide river to cross

I have stumbled i have strayed  
You can trace the tracks i made  
All across the memories my heart recalls  
But i'm just a refugee won't you say a prayer for me  
Cause sometimes even the strongest soldier falls
