If you loved me half as much as I love you  
You wouldn't worry me half as much as you do  
You're nice to me when there's no one else around  
You only build me up to let me down

If you missed me half as much as I miss you  
You wouldn't stay away half as much as you do  
I know that I would never be this blue  
If you only loved me half as much as I love you

You're nice to me  
When there's no one else around  
You only build me up  
To let me down

If you missed me half as much as I miss you  
You wouldn't stay away half as much as you do  
I know that I would never be this blue  
If you only loved me half as much as I love you
