I saw heaven open, and behold! A white horse  
With a Rider Who is Faithful and True  
His eyes are flames of fire, and on His head are many  
crowns  
In righteousness He'll judge and make war

Whose side are you gonna be on when Jesus returns?  
You better make your decision now that you've heard  
Its up to you

His is the kingdom; His is the power  
And the glory forever, amen  
Praises to the Father, Son, and Holy Spirit  
Blessed be the name of the Lord

You know the time is coming; every day is closer  
To the day when Jesus Christ will return  
You know He'll keep His promise; He said He'd be  
coming  
And the time is running out for this world
