"Changing All Those Changes"

I should have reconsidered all those things I said I'd do

so now I'm changing all those changes

that I made when I left you

Sweetheart I'm changing all those changes

that I made when I left you

because I made those changes when I thought you
were untrue

But now you're gone - I've found I'm wrong
there's nothing I can do

that I made when I left you

except to change up all those changes

I didn't stop to think - I just left without a care

and now I know you're gone and I can't find you
anywhere

I should have reconsidered all those things I said I'd do

so now I'm changing all those changes

that I made when I left you
