Do you think of me darlin'™  
While we're™ re many miles apart  
Oh please be true to me my darlin'™  
For you are the flower of my heart

Many nights I've™ sat alone  
And I've™ worried over you  
But I've™ never worry dear  
If your love is true

Please come back to me my darlin'™  
Cause I can't™ live while we're™ re apart  
Please come back to me my darlin'™  
For you are the flower of my heart

Many nights I've™ sat alone  
And I've™ worried over you  
But I've™ never worry dear  
If your love is true

Please come back to me my darlin'™  
For I can't™ live while we're™ re apart  
Come back - come back to me my darlin'™  
For you are the flower of my heart
