You took me up to Heaven
When you took me in your arms
I was dazzled by your kisses
Blinded by your charms

I was lost
(I was lost)
In a fool's paradise
(Fool's paradise)
Good and lost
(Good and lost)
In a fool's paradise

When you told me that you loved me
I gave my heart to you
And I wondered if there could be
Any truth in love so new

I was lost
(I was lost)
In a fool's paradise
(Fool's paradise)
Good and lost
(Good and lost)
In a fool's paradise

The whole world was my kingdom
And your love the gem in my crown
Then I saw you glance at a new romance
And my love came tumbling down

Well you treat me kinda coolish
And may never let me know
That you think I'm being fooling
Because I love you so

I'll still get lost
(I'll still get lost)
In a fool's paradise
(Fool's paradise)
Lost with you
(Lost with you)

In a fool's paradise

Well you treat me kinda coolish
And may never let me know how
That you think I'm being fooling
Because I love you so

I'll still get lost
(I'll still get lost)
In a fool's paradise
(Fool's paradise)
Lost with you
(Lost with you)
In a fool's paradise
