Buddy Holly - I guess that I was just a fool

I thought that I could forget  
even tried to tell myself we'd never met  
though you try - you can't deny  
the beating of your heart  
though you try - you can't deny  
a true love when it starts  
I guess that I was just a fool

I guess I'll go on loving you  
even though I know our love will never do  
well, though you try - you can't deny  
the beating of your heart  
though you try - you can't deny  
a true love when it starts  
I guess that I was just a fool
