Stayin' at home, waitin' for you  
Just won't get it, 'cause you say we're through

Well, I'm lookin' for someone to love  
I'm lookin' for someone to love  
Well, if you're not here, but baby, I don't care  
'Cause I'm lookin' for someone to love

Playin' the field all day long  
Since I found out I was wrong

Well, I'm lookin' for someone to love  
I'm lookin' for someone to love  
Well, if you're not here, but baby, I don't care  
'Cause I'm lookin' for someone to love

Caught myself thinkin' of you  
You can't love me and another one too

Well, I'm lookin' for someone to love  
Yeah I'm lookin' for someone to love  
Well, if you're not here, but baby, I don't care  
'Cause I'm lookin' for someone to love

Drunk man, street car  
Foot slip, there you are

Well, I'm lookin' for someone to love  
I'm lookin' for someone to love  
Well, if you're not here, but baby, I don't care  
'Cause I'm lookin' for someone to love  
I'm lookin' for someone to love  
I'm lookin' for someone to love  
I'm lookin' for someone to love  
I'm lookin' for someone to love
