Love can make a fool of you  
you do anything it wants you to  
love can make you feel so good - when it goes like you  
think it should  
or it can make you cry at night - when your baby don't  
treat you right

When you're feeling sad and blue  
you know love's made a fool of you

You know love makes fools of men  
but you don't care, you're gonna try again

Time goes by, it's a-passin' fast - you think true love  
has come at last

but by and by you're gonna find - crazy love has made  
you blind

When you're feeling sad and blue  
you know love's made a fool of you
