Love can make a fool of you  
You do anything it a-wants you to  
Love can make you feel so good  
When it goes like you think it should  
Or it can make you cry at night  
When your baby don't treat you right  
When you're feelin' sad and blue  
You know love's made a fool of you

You know love will makes fools of men  
But you don't care, you're gonna try it again  
Times goes by, it's a-passing fast  
You think true love-a has come at last  
But bye and bye you're gonna find  
Crazy love-a has-a made you blind  
When you're feelin' sad and blue  
You know love's made a fool of you

Love can make you feel so good  
When it goes like you think it should  
Or it can make you cry at night  
When your baby don't treat you right  
When you're feelin' sad and blue  
You know love's made a fool of you
