Well that'll be the day  
When you say good-bye  
Yea that'll be the day  
When you make me cry  
You say you're gonna leave  
You know it's a lie  
'cause that'll be the day  
When I die

Well you give me all your lovin'  
And your turtle dovin'  
All your hugs and kisses and your money too  
Well uh you know you love me baby  
Still you tell me maybe  
That someday well I'll be blue

Well that'll be the day  
When you say good-bye  
Yea that'll be the day  
When you make me cry  
You say you're gonna leave  
You know it's a lie  
'cause that'll be the day  
When I die

[musical break]

Well that'll be the day  
When you say good-bye

Yea that'll be the day  
When you make me cry  
You say you're gonna leave  
You know it's a lie  
'cause that'll be the day  
When I die

Well oh when cupid shot his dart  
He shot it at your heart  
So if we ever part then I'll leave you  
You sit and hold me and you  
Tell me boldly

That someday well I'll be blue

Well that'll be the day  
When you say good-bye  
Yes that'll be the day  
When you make me cry  
You say you're gonna leave  
You know it's a lie  
'cause that'll be the day  
When I die

Well that'll be the day  
Ooo oo  
That'll be the day  
Ooo ooo  
That'll be the day  
Ooo ooo
