Wishing
That I could see you every day
Wishing
That I could steal your heart away

Dreaming
Of the time I can hold you tight
Wishing
That the time would come tonight

I've been hoping all along
Things would turn out right
If I could find the wishing star
Then I would spend the night

Wishing
That I could see you every day
Wishing
That I could steal your heart away

I've been hoping all along
Things would turn out right
If I could find the wishing star
Then I would spend the night

Wishing
That I could see you every day
Wishing
That I could steal your heart away
