[CHORUS]

Ooh wee, baby
Goodness gracious
The way I love you
It's obdacious

Ooh wee, baby
Can't you see I'm in love with you
You know I'm with you

Come on, baby
Don't be stubborn
For just for you
I got plenty loving

Ooh wee, baby
Can't ya see I'm in love with you
You, no one but you

Your kisses stay so sweet
Thrill me right off my feet
I'd walk a mile
Just to see you smile
Just thinking about you
Nearly drives me wild

[Repeat CHORUS]

Ooh wee, baby
Can't you see I'm in love with you

Your kisses stay so sweet
Thrill me right off my feet
I'd walk a mile
Just to see you smile
Just thinking about you
Nearly drives me wild

[Repeat CHORUS]

Ooh wee, baby
Can't you see I'm in love with you

You, so in love with you
So in love with you

Come, on baby
Can't you see I'm in love with you
