Oh Yeah

I heard about a person who had a broken heart  
With nothing to drive him on, no hope no spark no  
flame  
He could'nt see at all tears they were blinding him  
He kept it all inside, the guilt and all the pain  
You know I say I tried to warn him  
They had him backed up against the wall  
I hope I'm not too late

No one can tell you exactly what you have gotta be  
You've got to stand your ground and fight to save your  
life  
It may be hard but ooh ooh it's the only way  
Always remembering there ain't no second prize  
There ain't no second prize

You know I say I tried to warn him  
They had him backed up against the wall  
Why can't I stand up and try to tell him  
They've got me backed up against the wall  
I hope I'm not too late

No one can tell you exactly what you have gotta be  
You've got to stand your ground and fight to save your  
life  
It may be hard but ooh ooh it's the only way  
Always remembering there ain't no second prize  
There ain't no second prize

Oh no there ain't no second prize  
There ain't no second prize

Oh no there ain't no second prize  
There's not gonna be no second prize

Oh no there ain't no second prize  
Oh there's no second prize

Oh no there ain't no second prize

Never never never never gonna be

Oh no there ain't no second prize
