(Buffy)

I touch the fire and it freezes me
I look into it and it's black
Why can't I feel
My skin should crack and peel
I want the fire back

Now through the smoke she calls to me
To make my way across the flame
To save the day
Or maybe melt away
I guess it's all the same

So I will walk through the fire
'Cause where else can I turn?
And I will walk through the fire
And let it...

(Spike)

The torch I bear is scorching me
Buffy's laughin I've no doubt
I hope she fries
I'm free if that bitch dies
I better help her out

'Cause she is drawn to the fire
Some people will never learn/she will never learn
And she will walk through the fire
And let it...

(Giles)

Will this do a thing to change her?
Am I leaving Dawn in danger?
Is my slayer too far gone to care?

(Xander)

What if Buffy can't defeat it?

(Anya)

Beady Eyes is right, were needed
Or we could just sit around and glare

(All)

We'll see it through, it's what we're always here to do
So we will walk through the fire...

(Buffy)
So one by one they turn from me
I guess my friends can't face the cold
(Tara: What can't we face if we're together)
But why I froze...not one among them knows
And never can be told.

(Anya)
She came from the grave much graver
(Spike)
First he'll kill her then I'll save her
(Tara)
Everything is turning out so dark
(Buffy)
Going through the motions
(Spike)
No, I'll save her then I'll kill her
(Willow)
I think this line's mostly filler
(Giles)
What is it gonna take to strike the spark?
(All)
These endless days are finally ending in a blaze
and we are
Caught in the fire
The point of no return
So we will walk through the fire and let it
Burn
let it Burn
let it Burn...Showtime!
