I lived my life in shadow  
Never the sun on my face  
It didn't seem so sad, though  
I figured that was my place  
Now I'm bathed in light  
Something just isn't right

I'm under your spell  
How else could it be  
Anyone would notice me?  
It's magic, I can tell  
How you've set me free  
Brought me out so easily

I saw a world enchanted  
Spirits and charms in the air  
I always took for granted  
I was the only one there  
But your power shone  
Brighter than any of I've known

I'm under your spell  
Nothing I can do  
You just took my soul with you  
You worked your charm so well  
Finally, I knew  
Everything I dreamed was true  
You make me believe...

GIRLS  
Ahhhh, ahhh, ahhh. (etc...)

TARA  
The moon to the tide  
I can feel you inside  
I'm under your spell  
Surging like the sea  
Brought to you so helplessly  
I break with every swell  
Lost in ecstasy  
Spread beneath my Willow tree  
You make me complete...

You make me complete...  
You make me complete...  
You make me...
