BUFFY:

Life's a show
And we all play our parts
And when the music starts
We open up our hearts
It's alright if something's come out wrong
We'll sing a happy song
And you can sing along

Where there's life
There's hope
Everyday's a gift
Wishes can come true
Whistle while you work
So hard
All day
To be like other girls
To fit in in this glittering world

Don't give me songs!
Don't give me songs! [She need's backup]
Give me something to sing about
ANYA & TARA: Ahhh...
I need something to sing about
ANYA & TARA: Ahhh...

Life's a song you don't get to rehearse
And every single verse
Can make it that much worse
Still my friends don't know why I ignore
The million things or more
I should be dancing for

All the joy
Life sends
Family and friends
All the twists
And bends
Knowing that
It ends
Well, that depends
On if they let you go

On if they know enough to know
That when you vowed
You'd leave the crowd...

There was no pain
No fear
No doubt
Till they pulled me out
Of heaven
So that's my refrain
I live in hell
'Cause I've been expelled
From heaven
I think I was in heaven

So give me something to sing about!
Please
Give me something!

SPIKE
Life's not a song
Life isn't bliss
Life is just this
It's living
You'll get along
The pain that you feel
You only can heal
By living
You have to go on living
So one of us is living

DAWN
The hardest thing in this world is to live in it
