I died,  
So many years ago,  
And you can make me feel,  
Like it isn't soo,  
Why you come to be with me  
I think i finally know,  
Mhhm,  
Your scared  
Ashamed of what you feel,  
And you cant tell the ones you love,  
you know they couldent deal,  
But whisper in a dead mans ear,  
does'nt make him real,

Thats great

but I dont wanna play,  
Cos beeing with you touches me  
more than I can say,  
But sins I'm only dead to you  
I'm saying stay away,  
And let me rest in peace,  
let me rest in peace,  
let me get some sleep,  
let me take my love and bury it  
in a hole six foot deep,  
I can lay my body down  
but i cant find my sweet relese,  
so let me rest in peace,

You know,  
you got a willing slave,  
and you just love to play the thought  
that you might missbehave,  
But 'til you do Im telling you  
stop visiting my grave,  
And let me rest in peace,

i know i chould go  
but i follow you like a man possest  
theres a traitor here benethe my breast,  
And it hurts me more

than you've ever guesst,  
if my heart could beat  
it would break my chest,  
But I can see your unimpressed,  
so leave me be

and let me rest in peace,  
let me get some sleep,  
Let me take my love and bury it  
in a hole six foot deep,  
i can lay my body down  
but i cant find my sweet relese,  
so let me rest in peace  
why wont you let me rest in peace?
