GILES

your not ready for the world outside  
you keep pretending, but you just can't hide  
i know i said that i'd be standing by your side  
but i...

your path's unbeaten and it's all up hill  
and you can meet it, but you never will  
and i'm the reason that you're standing still  
but i...

i wish i could say the right words to lead you through  
this land  
wish i could play the father and take you by the hand  
wish i could stay, but now i understand  
i am standing in the way

the cries around you you don't hear at all  
cuz you know i'm here to take that call  
so you just lie there when you should be standing tall  
but i...

i wish i could lay your arms down and let you rest at  
last  
wish i could slay your demons, but now that time has  
passed  
wish i could stay, your stalwart standing fast  
but i am standing in the way  
i'm just standing in the way

TARA

i'm under your spell  
God how can this be? playing with my memory  
you know i've been through hell  
Willow don't you see, there'll be nothing left of me  
you made me believe

GILES

believe me i don't want to go

GILES AND TARA (TOGETHER)

and it'll grieve me 'cause i love you so

but we both know...

GILES

wish i could say the right words to lead you through  
this land

AND TARA (SAME TIME)

wish i could trust that it was just this once but i must do  
what i must

GILES

wish i could play the father and take you by the hand

AND TARA (SAME TIME)

i can't adjust to this disgust we're done

GILES AND TARA (TOGETHER)

and i just wish i could stay (x4)
