Sssh
Now be very, very quiet
I'm hunting rabbit right now, ha ha ha ha
Yeah

Clap your hands to the beat
Everybody just
Clap your hands to the beat
Alright fud face
Let's see what you're made of

Who got bugs bunny money?
I've give you some kind
To give more carrots every time I rhyme
Can I mouse right this?

Does he have long furry ears like this?
Can he make hits like this?
(Ha ha ha ha)
No, it's like Jordan at the Plague
You're likely to miss

Warner Brothers ain't got bank cheap countin'
Rule from here to The Moron Mountain
Here's the game plan
Listen up Toon squad

Number one objective, beat the monsters
Shouldn't be hard, them guys ain't too smart
But to be sure smash Jordan playin' Golf
Even though he tends to be a ball boy

Hey Michael
Over here superstar
Who says the bunny can't play above the ram?
Wait till they get a load of me, that's like it

Who says the bunny can't rhyme
You're buggin'
If bugs don't make you hop
You're buggin'

Take this race train, don't stop
You're buggin'
Yeah, we only buggin'

Who says the bunny can't jam
You're buggin'
If you all don't know who I am
You're buggin'

Bugs ain't the coolest in the land
You're buggin'
Yeah, we only buggin'

Got a girlfriend Lola, she's a fox
Ain't no bunny like the one I've got
(That's true)
He he he heee, what's up doc?
Bugs got more props than the Warner Brother's lot

More money than any rapper's voice
Fits bay one hand, his and her first
Like Trump's wife, up to my ears in carrots
Not even the barber can face a rabbit

See, it's all-good
'Cause Bugs got props
I'm a bunny right
All we do is hip hop

Get around
(Aha)
Under ground
(Aha)
Keep it real
How do you like me now?

The bunny got glow, the bunny got dough
On top of the world, me and my honey love
So from now and till the racket stops
(What?)
You guys can bank, hit, bounce or do the bunny hop

Who says the bunny can't rhyme
You're buggin'
If bugs don't make you hop
You're buggin'

Take this race train, don't stop
You're buggin'
Yeah, we only buggin'

Who says the bunny can't jam
You're buggin'
If you all don't know who I am,
You're buggin'

Bugs ain't the coolest in the land
You're buggin'
Yeah, we only buggin'

Aah, what more can I say?
I'm the coolest rabbit
Doc holiday
I'll be your huffle bunny

Unmatched wit'
I'm toola chick, toola chick to quit
Beat Swack Hammer
Hey, what's his gimmick?

Try to rule the world and everything in it
Run with the Toon Stars, show us love
Peace to Lola, Daphne, Elmer Fod
The Road Runner, to rub a dust off

Peace to Wiley Coyote and Forn Leg Horn
Sylvester, Tweety, the rest of the gang
(That's right)

On three the Toon Squad got the best game
And after it's over we'll need a plan
What type of Mickey Mouse organization
Goes to Disney Land?

Bugs for president
When I got your vote
Time to keep partying
That's all folks

Who says the bunny can't rhyme
You're buggin'
If bugs don't make you hop
You're buggin'

Take this race train, don't stop
You're buggin'
Yeah, we only buggin'

Who says the bunny can't jam
You're buggin'
If you all don't know who I am
You're buggin'

Bugs ain't the coolest in the land
You're buggin'
Yeah, we only buggin'

Who says the bunny can't rhyme
You're buggin'
If bugs don't make you hop
You're buggin'

Take this race train, don't stop
You're buggin'
Yeah, we only buggin'

So long Screwey
See you in St. Louis
Been there, done that
Got the T-Shirt

I'm the only bunny that's still goin'
You know what I'm sayin'? I'm out
That's enough for that
Come down selector, rewind

I thought I told you that we won't stop
I thought I told you that we won't stop
I thought I told you that we won

Wait a minute, we're stoppin'
What is this?
Oh, so that's what's goin' on here
Let's all diss the duck
