

## **Bugs In Amber "Dream Of Gold"**

Visit "[Dream Of Gold](#)" on MotoLyrics.com

When conversation's lost the sentiment of  
Butterflies, exciting sparks, discovery,  
Get lost.

Months and years get thrown aside too quickly.  
Heard all the stories. Butterflies tired of fluttering.  
Hold on tightly.

Not all your bridges have been crossed.

Take a breath walk one more.

Falling stars surround  
And grant their wishes to the eye's that keep on looking  
for them,  
Holding faith and dream and dream of gold.

Not all the bridges have been crossed  
Come with me walk one more.
