Imma freak you in the back of my coupe and do

Shawty it's alright
You can do it all night
With me
Wont stop at the g spot she cause she never pushin
pass that when she pushin that back she stack
All you gotta do is sit back and relax right here with me
(with me, with me)
Baby right here with me (with me, with me)

Baby right here with me (with me)
Shawty if you want it all you gotta do is roll with me

[Verse]

Hey baby...
Five ten brown skin lookin like a hershey
Like a tall glass and I'm thirsty
Met her at a thirsty thursday
She was laughin at my thirsty ass
When I approached her ass (I bet she fall in love in my

Say boo you pose to have my number in ya phone so
our late text turn to late text on a late night in some
latex lets face facts
Safe sex is great sex
But I bet that we all raw dog before
We can take it from the kitchen to the livin on the
bedroom flo whoa
You know what two people on top of a bed scratchin my
back kissin on my neck and not to forget to mention
switchin positions all the above and go the girl wanna
bite look like

So I can see what all the fussin and fightin about
But don't worry shawty I promise wont tell nobody if you
lick my lolli

[Chorus]

Baby if you roll with me
Imma freak you in the back of my coupe and do
whatever it is that you like
Shawty it's alright

With me
Wont stop at the g spot she cause she never pushin
pass that when she pushin that back she stack
All you gotta do is sit back and relax right here with me
(with me, with me)
Baby right here with me (with me, with me)
Shawty right here with me (with me, with me)
Baby right here with me (with me)

[Bridge]

I wanna take you places
I wanna show you things
Imma holla cop some dollas we can head to the mall
imma take you on a shoppin spree
Anything you want with me or anything you wanna do
All I want you to do girl is let-me-hold-you

[Verse]

Down like I'm bow or omari
2004 I'm sorry
Lets play this game old schoo like an atari
And we say we not together but her friends keep askin
are we
Or aren't we
But they lame couldnt danity kane even if they had
aubrey
And I can admit
Cuz now a days I'm gettin kinda scared to committ
I got a lot of stories bout the chicks I hit
Until I get em to the room and rubber don't fit
I'm so sick of that shit
I'm so sick of that shit
That's why I'm just focused who I'm rollin with (rollin
with, rollin with, rollin with)

[Chorus]

Baby if you roll with me
Imma freak you in the back of my coupe and do
whatever it is that you like
Shawty it's alright

You can do it all night
With me
Wont stop at the g spot she cause she never pushin
pass that when she pushin that back she stack
All you gotta do is sit back and relax right here with me
(with me, with me)
Baby right here with me (with me, with me)
Shawty right here with me (with me, with me)
Baby right here with me (with me)
Shawty if you want it all you gotta do is roll with me

I wanna take you places
I wanna show you things
Imma holla cop some dollas we can head to the mall
imma take you on a shoppin spree
Anything you want with me or anything you wanna do
All I want you to do girl is let me (let me)
