My name is Tallulah  
My first rule of thumb  
I don't say where I'm going  
Or where I'm coming from  
I try to leave a little reputation behind me  
So if you really need to  
You'll know how to find me

My name is Tallulah  
I live till I die  
I'll take what you give me  
And I won't ask why  
I've made a lot of friends  
In some exotic places  
I don't remember names but I remember faces

Lonely  
You don't have to be lonely  
Come and see Tallulah  
We can chase your troubles away (ohhh)

If you're lonely  
You don't have to be lonely  
When they talk about Tallulah  
You know what they say  
No one south of heavens gonna treat you finer  
Tallulah had her training  
In North Carolina

My name is Tallulah  
And soon I'll be gone  
An open invitation  
Is the road I'll travel on

I'll never say goodbye because the words upset me  
You may forgive my going but you won't forget me!

Lonely  
You don't have to be lonely  
Come and see Tallulah  
We can chase your troubles away

If you're lonely  
You don't have to be lonely  
When they talk about Tallulah  
You know what they say  
No one south of heavens gonna treat you finer  
Tallulah had her training  
In North Carolina
