I love you You love me
We're a happy family
With a great big hug and a kiss from me to you.
Won't you say you love me too
I love you You love me
We're best friends like friends should be
With a great big hug and a kiss from me to you.
Won't you say you love me too
I love you You love me
We're a happy family
With a great big hug and a kiss from me to you.
Won't you say you love me too
I love you You love me
We're best friends like friends should be
With a great big hug and a kiss from me to you.
Won't you say you love me too
