When you hear the words, "Once upon a time"
Then you know a story will be told
When you hear me say, "Once upon a time"
A wondrous adventure will unfold

Once upon a time means it's time to pretend
Let your imagination go, on a journey into storyland
To hear a tale from long ago

Once upon a time, once upon a time
Means a story to tell, a tale to share
With everybody, everywhere

Once upon a time, once upon a time
Means a story to tell, a tale to share
When you hear the words, "Once upon a time"

When you say the words, "Once upon a time"
Then you know a story will be told
When you hear me say, "Once upon a time"
A wondrous adventure will unfold

Once upon a time means it's time to pretend
Let your imagination go, on a journey into storyland
To hear a tale from long ago

Once upon a time, once upon a time
Means a story to tell, a tale to share
With everybody, everywhere

Once upon a time, once upon a time
Means a story to tell, a tale to share
When you hear the words, "Once upon a time"

Once upon a time, once upon a time
Means a story to tell, a tale to share
With everybody, everywhere

Once upon a time, once upon a time
Means a story to tell, a tale to share
When you hear the words, "Once upon a time"
When you hear the words, "Once upon a time"
