If all the rain drops
were lemon drops and gum drops
oh what a rain that would be.
Standing out side with our mouths open wide.
Ah ah ahah ahah ah ahah
If all the rain drops
were lemon drops and gum drops
oh what a rain that would be.

If all the snow flakes
were candy bars and milkshakes
oh what a snow that would be
Standing outside with our mouths open wide.
ah ah ahah ahah ah ahah
If all the snow flakes
were candy bars and milkshakes
oh what a snow that would be.

If all the sunbeams
were bubble gum and ice cream
oh what a sun that would be.
Standing out side with our mouths open wide.
Ah ah ahah ahah ah ahah.
If all the sunbeams
were bubble gum and ice cream
oh what a sun that would be.
