This is a song and a clapping game  
It's so much fun to play  
You can do with a group  
You can do it by yourself  
You can do it 'most everyday

Just listen now  
I got it

The good thing about this clapping  
Is that the rhythm will never, never change  
But the things we're about to clap on

May seem a little strange

On your tummy now  
On your shoulders  
On your knees now  
On your hips now

Here is the end of the clapping song  
It's sung in many lines  
Just to make us feel good and the very last time  
Everybody claps with your hands

Here we go now  
For the last time  
Yeah
