The wheels on the bike go round and round,
Round and round. Round and round,
The wheels on the bike go round and round,
All through the town.

The pedals on the bike make it go, go, go,
Go, go, go. Go, go, go.
The pedals on the bike make it go, go, go,
All through the town.

The horn on the bike goes honk, honk, honk,
Honk, honk, honk. Honk, honk, honk.

The horn on the bike goes honk, honk, honk,
All through the town.

The bars on the bike steer side to side,
Side to side. Side to side.
The bars on the bike steer side to side,
All through the town.

The wheels on the bike go round and round,
Round and round. Round and round,
The wheels on the bike go round and round,
All through the town.
